For as little as £5 you can sponsor parts of your favourite player's kit. By doing this you will get your name in the programme for each match until the end of the season. Everyone who sponsors an item of player's kit receives a special certificate from their chosen player. Those who sponsor a £10-25 item will also receive a signed photo from their favourite player. By sponsoring the £60 skates you receive a game-used stick signed by the whole team and if you sponsor the £100 shirt you get a replica jersey in your size and the opportunity to attend a post-game event to get your shirt signed! - For more information contact the Blaze Office on 02476 223220 or visit the matchnight shop.
